## About Me

Hello, I am Giorgi, thank you for the opportunity to apply for the role at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations. I am a focused professional who has been consistently praised as hard-working by my co-workers and management. Overall, I have consistently demonstrated problem-solving, technical and teamwork abilities in every aspect of my mentor, full stack developer role at Bitcamp.

## Work Experience
